Request For Corrected Filing Receipt

The application identified above was improperly assigned a filing date of August 18, 2003 instead of August 15, 2003. More specifically, the application would have been deposited with U.S. Postal Service as Express Mail on Friday, August 15, 2003 but for an interruption in postal service caused by a power failure. In accordance with 37 C.F.R. 1.6(e), applicant filed a request with the application to have a filing date of Aug. 15, 2003 assigned. However, the Patent Office apparently never acted upon this paper.

The undersigned had several telephone conversations with Examiner Walczak concerning this issue and was assured that the Statement Under 37 C.F.R. 1.6(e), originally filed on August 18, 2003, would be entered, the filing date adjusted, and a new Filing Receipt issued. However, the issue fee has now been paid and applicant still has not received a corrected Filing Receipt. Thus, applicant is concerned that the patent will issue without this matter being corrected and thus files the instant request.

Accordingly, applicant respectfully requests that a corrected Filing Receipt be issued noting the correct filing date of August 15, 2003.

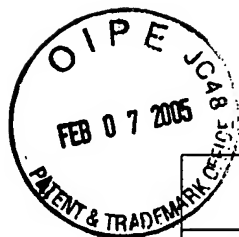

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'Michael M. Murray', written over a horizontal line.
